Child's Smocked Pinafore

shown on page 38

Materials: COATS & CLARK'S O.N.T. Six Strand Floss, Art. C. 11, 1 skein each No. 140 Signal Red, No. 48-A Dk. Hunter's Green, and No. 90-A Bright Gold. Milwards Embroidery Needle No. 7. Gold-and-white checked gingham, 45" wide with ½" checks, 1¾ yds. BOILTEX Rick-Rack, Art. 29 (Medium), 1 package of No. 128-A Atom Red. 2 hooks and eyes.

Cutting chart, diagram, and figures are on page 95.

Cutting: Following measurements on cutting chart, make patterns for pieces. Fold fabric with selvedges meeting. Place pattern as indicated, having 16 rows of squares for bib (see hem instructions just below) and taking care to see that checks will match at side seams of skirt. Cut out pieces.

Bib: Make a narrow hem across one long edge of bib (this is upper edge—see diagram), so that first row of squares on finished piece will be **white and light gold.**

Running Stitches: Leaving first row of squares at upper edge free, place a pin in center-top of second **dark gold** square from right edge on next row of squares; this is starting point for first row of running sts. With sewing thread work along this row of squares as follows: Make a large knot in end of thread, take a small stitch in center-top of **dark gold** square at starting point, skip next light gold square, take a small st in center-top of next **dark gold** square; continue across in this way until 34 sts have been made. Make a row of running sts across each row of squares. Gather sts to measure 4", thus forming 34 pleats, which will now appear as light and dark gold stripes.

Smocking: Use 3 strands of floss throughout. **Work only on dark gold stripes,** from left to right on right side of bib.

Outline Stitch (Fig. 1): Working across the pleats of first row of running sts with Red, bring needle out to the right side of bib at edge of first pleat. With needle facing from right to left and with thread above needle as shown, pass needle thru next pleat. Continue across in this way, ending with a st in 34th pleat. Bring needle thru to wrong side and fasten. Make 2 more rows of outline st, using colors as indicated on diagram.

Wave Stitch: Using colors as indicated on diagram, make 3 rows of wave st (see Fig. 2) on next dark gold stripe, having the thread below needle for first 4 sts and above needle for next 4 sts. Reversing colors and position of points, make 3 rows on next stripe.

Chevron Stitch: With Red work as shown (see Figs. 3 and 4). Work across next 2 dark gold stripes in wave st as for 2nd and 3rd stripes. Make 3 rows of outline st across last dark gold stripe as for first stripe.

Pockets: Make a small hem on upper edge of each pocket, and sew rick-rack to upper edge. Press under ¼" on edges and sew pockets in place, about 2½" from upper and side edges of skirt front.

Assembly — Skirt: Sew side seams, matching checks. Sew rick-rack to skirt about 7½" above lower edge. Stitch under ¼" on lower and back edges. Turn up lower edge for hem and sew in place. Leaving 3" straight on each side at center-back, gather waistline. Turn under 2" at each back edge and tack in place.

Bodice: Cut suspender pieces in half lengthwise (2nd half is for facing). Baste rick-rack along one long edge on 2 pieces only. Having rick-rack at outer edge, mark off 8" of inner edge. Leaving the 8" free for insertion of bib and allowing ¼" for seam, sew right sides of facing and suspender together. Turn to right side through opening. With right sides together, sew bib to the 8" openings of suspenders. Trim seams and sew facing to inside of bib. Adjust skirt gathers to fit. Sew bodice to skirt.

Waistband: Cut belt in half lengthwise and stitch one piece to wrong side of skirt; turn under raw edge and sew to bodice; top-stitch on both ends of belt. Sew other piece to right side of skirt and bodice in same way. Close with hooks and eyes. Hem ties; make a small pleat on one end of each to fit belt. With right sides together, sew ties to waistband at side seams.

Machine Knit Afghan

shown on page 40

Afghan measures about 46″ x 72″.

Materials: Knitting worsted (4-ply), 24 oz main color (MC) and 8 ozs contrasting color. (CC). Knitting needles (for binding off), 1 pr No. 4 or No. 5. Plastic or metal crochet hook No. 00 (for decorative sts). Safety pins.

Tension on KNITKING Handknitter: 8.

Note: Afghan consists of 3 MC panels and 2 CC strips, joined by cabling.

MC Panels (make 3): Cast on with scrap yarn as follows: 1 needle (for edge), skip 2, * 8 needles, skip 2, 1 needle, skip 2, 1 needle, skip 2, 1 needle (last 3 sts will later be unravelled); repeat from * twice more, 8 needles, skip 2, 1 needle (for edge). Knit about 5 rows. Beginning at the right with MC and leaving about 48″ of yarn to be used later for binding off, knit 540 rows. Drop the 2 edge sts and the 3 groups of 3 sts. Hold the 4 sets of 8 sts with safety pins.

Decorative Stitches: Unravel a few of the group-of-3 sts (do not work on edge sts at this time). Pick up 2 strands on hook, turn to form a loop, pull next 2 strands thru loop. Work the next 6 strands as follows: Lift up first 3 strands, pull next 3 strands thru the loop, then pull the first 3 strands thru. Continue in this manner, picking up 3 loops each time, for length of panel; hold the last loop with a safety pin. Work other 2 rows in same way.

CC Strips (make 2): Cast on with scrap yarn as follows: 1 needle (for edge), skip 2, 5 needles, skip 2, 1 needle, skip 2, 1 needle, skip 2 1 needle, 5 needles, skip 2, 1 needle. Knit about 5 rows. Beginning at the right with MC and leaving about 15″ of yarn for binding off, knit 540 rows. Drop the 2 edge sts and the 3 center sts. Hold the 2 sets of 5 sts with safety pins. Work decorative sts over the 3 center sts as for MC Panels.

Finishing: Unravel scrap yarn and bind off the ends of each panel and strip with the knitting needles. Press pieces lightly with a hot iron over a damp cloth. **Cabling:** Start each piece at the end where knitting was begun. Pick up 2 loops of MC and pull thru 2 loops of CC. Alternating colors, continue as for decorative sts, picking up 3 loops each time. Take care to see that no loops are skipped. Fasten loops at end of afghan and any loose ends. Open loops along the sides can be fastened with sl st (pull 2 loops thru the next two, etc.). With 2 strands of CC work an sc in each loop of sl st braid; do the same along ends of afghan if a firm edge is desired.

Fringe: Wind wool around cardboard to make strands about 4″ long; cut. Pull 4 strands thru every 2nd sc st along both ends of afghan; trim evenly. Fold afghan lengthwise and then into 4 or 6 parts.

YOU GET PERSONAL ATTENTION FROM AN EXPERT WHEN YOU BUY YOUR RUG MATERIALS FROM A BERNAT DEALER . . . *and it costs not a penny more.*

You actually see the colors, and you can feel the superior richness of the rug wool when you buy Bernat No-Frame Rug patterns and wool from a Bernat dealer. She can advise you on patterns and color schemes; she can show you, if you're just starting, how easy it is to make a Bernat Latch Hook Rug.

There are more than 100 Bernat rug patterns to choose from. We have just added 16 new ones (two are shown here) and we have just published a new edition of the Bernat Rug Book. (It shows how to make tweed rugs, too.) You'll find it at your Bernat dealer — or, if you want to study the patterns before you go out to shop, you can use the coupon to get the book by mail.
